

My Dear sweet
DAUGHTER

daddy and I had no idea how much you would
change our life **for good.**

Pure **magic** filled the air when **YOU WERE BORN** and
HEAVEN FILLED OUR HOME.

i HOPE I never forget those first few weeks when you
slept in my arms for **hours**

Or the **first time** you smiled, laughed, or
REACHED OUT FOR ME to hold you.

You've **changed me** in such a short time
Just being in **YOUR PRESENCE** teaches me to **love,**
to **FORGIVE,** and to see things **POSITIVELY.**

Your **smiles** and giggles give me **PERSPECTIVE** on
life
Your **dependence** upon me teaches me to

turn **to GOD.**

Your love for everything **new** and **SIMPLE** turns me
into a kid **again**

Everything is **fun** when you're involved

EVERY night since you were born I sneak into your room
to adore you while you **sleep**

And every night I'm glad that you were born.

Love You  Always,
Mother
